

# SUPPORT BREATHE

Known for its soothing effects when inhaled, Eucalyptus provides the signature to this uplifting scent. A mind-clearing feeling is brought about through an additional camphorated blend of tea tree oil and pine. This perfect harmony of notes brightens one's moment, clearing your head with a breath of fresh air.

Eucalyptus  
*aids breathing*

Tea Tree  
*anti-bacterial*

Pine  
*antiseptic*

Casual, Healthy, Hygienic,  
Invigorating, Vibrant
