

AIRY

Designed by Raymond Matts

F1103

A modern, oriental scent capturing the feel of casual elegance and relaxing sophistication.

A light, airy feel is created by opening with a sparkling green wet floral texture of natural **white flower notes** wrapped with a creamy nuance of **milk**. Notes of **amber** and **wood** provide a warm contrast, texture and elegance, and all softened with a touch of **musk**.

Airy, Bright, Elegant, Feminine, Modern,
Peaceful, Sophisticated
